WELCOME TO YOUNG ORTHODONTICS!

Your dentist cares about you and has referred you to our office for an evaluation of your teeth to determine if wearing an orthodontic appliance would be a beneficial treatment for you to increase your overall health. We recognize your decision about orthodontic treatment is significant and transformational, and we are here to answer all of your questions and make this a positive experience for you. We provide quality orthodontic treatment in a comfortable setting where we utilize the latest technology and treat each person as an individual. Your needs and concerns are our highest priority.

Your initial consultation will last 60 minutes, where we plan to take an x-ray and photographs prior to meeting with Dr. Young. Please bring this letter with you because your dentist has written special instructions on the reverse side.

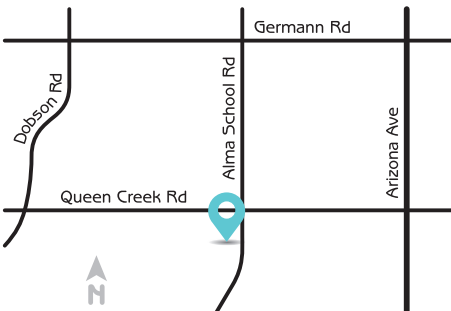

We have two convenient Chandler locations. Our **Ocotillo Office** is located within The Falls complex on the southwest corner of Alma School and Queen Creek and our **Ray Road Office** is located in the Parkside Professional Plaza east of McClintock on the north side of Ray Road.

Feel free to contact us at 480.899.9423 with further questions. Thank you. We look forward to meeting you and inviting you to join our orthodontic family.
